Staff and students are very excited in anticipation of the East Orange Village Markets which are to be held this **Sunday** in the school grounds. There are in excess of 200 stalls, including stalls being run by staff to raise additional funds for the school. I would like to acknowledge the incredibly hard work of our school P&C in coordinating this fundraising event. They have worked tirelessly for a number of months and have left no stone unturned in preparation for what is set to be a fantastic day. Please come along, put the word out to family and friends, and support this great community event. A reminder that our P&C are still looking for volunteers to assist with jobs on the day. Simply contact the school office or turn

up on Sunday and see one of the P&C members wearing an East Orange Village Markets shirt.

A reminder that although the markets are on school grounds, staff will not be supervising students in and around the school. Staff are volunteering on the day to help with school run stalls and general operation of the markets. All students attending the markets need to be under adult supervision.

A reminder that class library times have returned to regular days since the start of Term 4.

As we move into Term 4, work has already commenced around school planning for 2016. An important aspect of this planning is having accurate information of students in each grade. This is important as it allows informed planning for the number of classes we are able to form and also the likely composition of these classes. We ask parents to inform the school as a matter of urgency if you know that you will be moving away from the area and hence your children will not be attending Orange East PS in 2016.

A reminder that tickets are on sale for the 125 Year Anniversary Dinner at the Hotel Canobolas. The dinner is on Saturday, 14th November starting at 6pm and includes canapes, main meal and dessert. Pat O'Donnell will be providing entertainment. This promises to be a great event with a number of past and present students, staff and parents attending. **DON'T MISS OUT!** Tickets can either be purchased directly from the school office or via our online booking site, *Ticketbooth* for \$50 per ticket. The link below will take you directly to the online bookings and payment page:

Lastly, a reminder that our first Friday Assembly for Term 4 will be on this week for K-2. An Assembly Roster has been included in the School News section or can also be accessed via the School Stream app or on our website.

Have a great week!
